

Autumn 2025

Library – Tuesday

PE – Tuesday and Thursday

The Purpose of Homework

Homework allows parents/ carers to be involved with children's learning. It also allows children to revisit and embed learning from their school day.

Additional Benefits

- Increases **memory** power
- Improves **thinking skills**
- Enhances **concentration**
- Promotes **self-discipline**
- Develops **independent learning skills**
- **Prepares** children for the next phase of education
- Creates a bridge between **home and school**

Wider Learning Opportunities

The Empty Box

You can do anything you like: a presentation or poster or something that interests you; write about something you have done outside school. The possibilities are endless...

Outdoor Learning

Set up a quiet spot in the garden with a pillow and a blanket and have a read!

Make an obstacle course in your garden.

Homework - The link between home and school

St Paul's C of E
Primary School

Life in all its fullness

Topic

Local history and geography:

Spend time looking through an atlas or at a globe, trying finding places you have a connection to or have heard about in books, on TV or from a friend. Look at google earth and the different types of maps available. Try creating a map of well know local routes, you could make up symbols or copy road symbols along the way. What weather symbols do you know?

Wider Learning Opportunities

Creativity

Draw a picture of a scene in all four seasons of the year.

Write a story about a child who is stuck inside on a rainy day and something magical happens.

Personal, Social and Emotional Development

To learn about our rights as children.

To identify emotions, we might feel and how we might manage them.

To come up with a list of random acts of kindness and try do one.

Essentials

Numbots/ Timestable Rockstars

You will find your login in your bookbag. Please check with your class teacher for which programme is best for your child to follows.

Phonics and Spelling

Children should complete the page on the right hand side of their reading record each week. These match up to the spelling learning that we complete in school each week. Children can also use Spelling Shed to support their learning.

Reading

Children will change their books once a week, or every other week if reading from the fluency scheme. Please mark each day you read at home and add any notes to your record. Children should also have 2 books at any one time to read for pleasure. Please encourage your child to read frequently.

Mental Maths target

Y1: To could in 2s, 5s and 10s.

Y2: To learn 2s, 5s and 10s multiplication tables.
