

Share a story and read your own reading book everyday.

Find out about some birds that you see in the park or on your way to school. Can you draw a picture of them and write something about them?

Practise putting your coat on and doing it up. Have a go at putting on any hats, gloves or scarves. Can you put your own shoes or boots on? Can you take off and put on your socks or tights?

**ROBIN CLASS  
HOME LEARNING IDEAS  
SPRING TERM 2026**

HERE ARE SOME IDEAS TO EXTEND YOUR CHILD'S LEARNING AT HOME. PLEASE DO AS MUCH AS YOU WOULD LIKE AND SHARE WITH US AT SCHOOL.

Learn and practise a song or rhyme that counts down from ten.  
E.g. Ten fat sausages  
Ten green bottles  
Can you extend the song to count down from a higher number?

Have a game of I spy with my little eye.  
Take turns to guess and to spy.  
Can you make the game harder by finding something that ends with a sound?

Can you practise a new skill that involves being active? Try hopping on the spot, star jumps etc. How many can you do in a minute? How many catches with one hand can you complete? Can you stand on one leg and then the other leg for 10 seconds?

**Make a weather chart and record the weather each day. You could draw a picture for each type of weather. How does the weather change?**

Phonics: Children should complete the page on the right hand side of their reading record each week. These match up to the phonics learning that we complete in school.  
Reading: Children will change their books once a week. Please mark each day you read at home and add any notes to your record.  
Library(Yr1) – Tuesday  
PE - Tuesday and Thursday. Please come to school in a PE kit.  
Logins(Yr1) for Numbots/Timestable Rockstars will be in the children's book bags.
