

Share a story or read your own reading book everyday.

What do you like to play with?
What is your favourite toy? Can you draw it? Can you make a toy or a game to play?

What is your favourite animal? Can you draw it and label it, or write some facts about it?

Practise bouncing and catching a ball. Can you count how many times you catch it? Can you write it down and come and show the rest of the class?

**ROBIN CLASS
HOME LEARNING IDEAS
AUTUMN TERM 2025**
HERE ARE SOME IDEAS TO EXTEND YOUR CHILD'S LEARNING AT HOME. PLEASE DO AS MUCH AS YOU WOULD LIKE AND SHARE WITH US AT SCHOOL.

Can you talk about your journey to school? What do you see? What do you pass? Can you draw a map of your journey?

Collect some leaves, conkers or acorns. Can you describe them using their colour, shape, size or how they feel? Can you sort them into groups?

Think of a song or poem which you love. Could you perform it at school for us? Maybe you could teach it to us?

Phonics: Children should complete the page on the right hand side of their reading record each week. These match up to the phonics learning that we complete in school.
Reading: Children will change their books once a week. Please mark each day you read at home and add any notes to your record.
Library(Yr1) – Tuesday
PE – Tuesday and Thursday. Please come to school in a PE kit.
Logins(Yr1) for Numbots/Timestable Rockstars will be in the children's book bags.
